Pan Am Clipper Connection is expanding service to include weekly non-stop flights to Florida from the Elmira Corning Regional Airport beginning November 19.

Fares are being booked for the months of November through January on Pan Am Clipper's 727 jet service to Orlando Sanford International Airport. The airport is located 18 miles northeast of Orlando, Florida and provides easy access to all Orlando area attractions. Airfare to Florida will start as low as \$125 each way, plus applicable taxes and fees.

"When we partnered with Pan Am Clipper in September it was our combined goal to be able to add this Florida service. We are excited to be able to do so now," says Ann Clarke, Elmira Corning Regional Airport Manager. "We will continue to work with all of our airline partners to expand air service opportunities for our passengers."

Pan Am Clipper Connection began service from the Airport to Bedford/Boston, Massachusetts on September 6, providing two daily non-stop flights. Since then, they have added service to Trenton, New Jersey and Baltimore/Washington D.C. The Trenton Mercer Airport serves New York City and Philadelphia. "Pan Am Clipper is once again adding a service which has been long in demand in our area: direct flight to Orlando from our airport at a competitive rate," said Chemung County Executive Tom Santulli at a media conference held at the Airport on October 11. "We hope that passengers will find this service an advantage to using the Elmira Corning Regional Airport."

The Pan Am Clipper Connection, operated by Boston-Maine Airways Corporation is based in Portsmouth, NH. They began commuter air service in March 2004.

Pan Am Clipper offers its own frequent traveler program, *The Clipper Convenience Travel Program* which offers member benefits such as transferable tickets, unlimited itinerary changes with no service charge, no travel restrictions or black-out dates and fixed fares regardless of reservation time.
